

What is It?

Our Life Story Documentation service is an additional offering within Companion Care. It provides the opportunity to have life experiences, memories, and cherished moments captured in a beautifully curated book.

Our Life Story Documentation service is more than memory capture. It supports cognition, honors your journey, deepens connections with caregivers, and creates a lasting legacy. Join us in preserving your story.

How to Get Started?

To begin, either contact us directly or inform your caregiver.

Cost: \$175.
